Zorba's Mediterranean Cuisine & Bar

Zorba's has been serving Oklahoma City fresh and delicious Mediterranean cuisine for over 20 years, and frequently is named "Best Mediterranean Restaurant" in the metropolitan area. Traditional favorites abound on the menu with items like the gyro dinner piled high with tender, thinly sliced meat and warm pita bread, kababs, falafel and pomegranate salmon to name just a few. The large, bright dining room is great for groups and on weekends during dinner they have a belly dancer performance.
