Moon Zoom

"Retro Repository"

This local repository of retro 60s and 70s-style clothing has got it all. Don't go to a disco party in Silicon Valley without shopping here first. The place even has a second-hand tuxedo section. Whether you have kids who see the 1970s as a historical curiosity or you are a retro fan, you will spend much more time in this place than you originally anticipated. Find long-sleeved silk monstrosities of the Disco Era to orange sport coats from 1975. There are equal amounts of attire here for men and women and, of course, service with a smile.
