Toscana Salon & Day Spa

"Williamsville Mainstay"

It seems as if there is a hair and nail salon on every corner of Buffalo and its adjacent suburbs, some are better than others, however Toscana definitely stands out a little more than the rest. The reason is because they are one of the best in the city at using the ancient Egyptian art of 'Sugaring', a method of hair removal used for over 4,000 years. Moreover, they have other standard services like traditional waxing, massage therapy, haircuts and other specific treatments.
