Kabsa The Ultimate Cuisine

"Yemeni Delights"

Kabsa The Ultimate Cuisine brings the flavors of Saudi Arabia and Yemen to the city. Since their food takes time to prepare, the wait time might be a bit longer, but it is well worth the wait. Specializing in chicken and lamb kabsa (a type of mixed rice dish), their meat is cooked to perfection and is packed with flavor. Dig into their chicken shawarma, chicken mendi, lamb kabsa and donair kebabs that are not only delicious but also reasonably priced.
