### Black Pearl Seafood Bar

"Divine Seafood"

As soon as you step foot inside the Black Pearl Seafood Bar, you are engulfed with delicious aromas of seafood, that will tantalize your taste buds. The restaurant itself has a nautical theme; everything from the entrance to the ceiling is draped in fishing nets and wooden ship's wheels are strewn all around. The place is two story high; the bar is located downstairs while the upper level of this restaurant is perfect for a date night. Start your meal with the oysters and follow them with the scallop tacos. Crab preparations served at Black Pearl are must-try for crustacean lovers. The menu has potent drinks on offer of which the dramatic Black Pearl Caesar comes most recommended.

### Cafe Amore Bistro

"Fine Italian Fare"

Cafe Amore Bistro is a local favorite for rustic Italian fare prepared from time-honored family recipes. This family-run restaurant serves generous portions of delicious pasta and seafood preparations, dished out with a whole lot of heart. Dine on house specialties like the Amore Pescatore, a seafood pasta packed with fresh seafood in a creamy garlic sauce - for an added indulgence, share the King Pescatore for two made with a full Atlantic lobster. There is a well-rounded wine list to complement the mains and a dessert selection you'll want to save room for. The vibrant patio is a great place to enjoy an alfresco meal and there is often live music adding to the casual, upbeat vibe.
