Gravity Pope

"Feed Your Footwear Fetish"

This independently-owned shoe shop is a mecca for those who want style or comfort that really stands out. Since 1990, Gravity Pope has been sourcing unique lines of shoes from all over the world and bringing them to Edmonton. The atmosphere here exudes quality, with a bit of quirk thrown in: evidence the 1950s circus mirror and antique medical cabinets that are used as props. The store offers comfort, fashion, and luxury footwear for both men and women, with a smaller selection of children's shoes. Choose styles by Trippen, Homage, Chie Mihara, Fluevog, Cydwoq, Vans and Naot, just to name a few. If you're looking for something traditionally Canadian, slip your feet into a pair of Manitobah Mukluks. Amazingly, Gravity Pope offers a layaway plan.
