Kolya Naturals Skincare Boutique & Spa

"Beauty Born of Nature"

True beauty is born of nature and comes from within; from a place of happiness and well-being, of health and balance. Kolya's signature spa treatments invite you to shed the restraints of the urban jungle and reconnect with nature. The spa uses only natural, organic and biodynamic products that nourish the body and enliven the soul. Kolya is especially well-known for unique and signature treatments like The Lotus with its use of organic essential oils, and the Earth & Flowers which combines the benefits of a mud mask and hydrating facial. Other spa services include sugaring for men and women, and make-up consultations. All of the fabulous products used in these treatments are available for purchase at the Kolya boutique. Special classes and seminars are often organized as well. Bookings are accepted up to 3 months in advance and fill up quickly so be sure to plan ahead.

European Spa

"Not Just Skin Deep"

Break free from the trails of every day and indulge in a little time off with a decadent treatment or two at the European Spa. The spa offers a complete spectrum of treatments with everything from facials, massages and luxurious beauty rituals, to couples massages and special, age-appropriate treatments for little girls so that they too can enjoy a day at the spa with their mothers. Specialty treatments like the Exotic Acai Berry Ritual and microdermabrasion are especially popular, while the couples spa treatments and packages allow you to share the experience with your beloved. The spa also offers a variety of beauty services including makeup application, waxing, and tanning. The spa itself is serenity personified,

with its lofty ceilings and tasteful decor. However you choose to spend your day at the European Spa, you are sure to leave feeling refreshed, renewed and ready to take on the world with gusto.

Bliss YogaSpa

"Beauty and Wellness"

When your mind is at peace and your body is balanced, beauty radiates from the inside out. This belief lies at the core of all that the Bliss YogaSpa has to offer. Here, the healing influence of yoga and the rejuvenating power of luxurious spa treatments are combined to strike the perfect balance between beauty and well-being. The decor blends together contemporary style and traditional touches in soft, earthy colors that create an ambiance of rejuvenating calm. Luxury facials, specialty massages and decadent body treatments are balanced on the spa menu by exceptional beauty services like waxing, make-up application and sunless tanning. While the spa treatments will take care of your beauty needs, Bliss YogaSpa's yoga classes and reiki treatments will help you achieve inner balance and peace for a more complete sense of well-being. You can register for a class up to 5 minutes before the class begins.
