Jeans Center 71

"Jeans & More Jeans"

The most famous "jeans shop" in Rimini is located in the center at the end of Vicolo Gomma. It is impossible not to note the now historic jeans in disproportionate sizes hanging on the left side of the wood display window. The environment is very special, welcoming, informal, and youthful; you can find the principal brands of jeans, casual jackets, sweaters, velours, bandanas in all colors, sun glasses, and more. Principal brand names: Levi's, Schott, Lee, Sundex, Champion, Energie, Avirex USA, Ray Ban, Gas, Wrangler, Americanino, Ocean Pacific. There are even affordable prices even for the major brand names.
