Hippodrome Theater

"Unique Entertainment Venue"

Hippodrome Theater is a big and spacious entertainment venue in Jackson Ward. The decor style of the 1930s and the palatial interiors make it a special place for events like weddings and receptions. This multi room theater also has a balcony that offers a better view of the event taking place. Heavyweights such as Billie Holiday and Louis Armstrong have performed here in the past.

Art Works Studios & Galleries

"Trendy Space"

Art Works Studios and Galleries is the perfect place to plan a party, wedding, or to host a gallery showing for art. If you want to have your creations seen, then Art Works will collaborate with you to make sure that everything goes according to how you'd like it. Gallery spaces are aplenty on the two floors of the building. There are some galleries that are always available to peruse, so you can check out local artists' work - from paintings, photographs, jewelry and crafts - and perhaps make a purchase or two. On the 4th day of the month, the entire building is open to the public, including all of the rented spaces, and food as well as music is provided while you walk around and check out the talent. There are monthly youth art classes and group art projects that are offered to the public.
