"Great Irish Food and Music"

Mick O'Shea's Irish Pub and Restaurant features live Irish music, five nights a week. Inside, you'll find a massive bar with wooden tables to complete the décor. Much of the food is standard bar fare, but heartier dishes are also available. Be sure to try the Celtic entrees like Shepherd's Pie, Irish Stew, and Corn Beef and Cabbage.

This gastropub located in the Canton area of Baltimore is known for its creative cocktails and excellent brew list. The black chalkboard displays the pubs rotating list of drafts, while the menu offers patrons upscale tavern fare with small plates perfect for sharing, hearty entrees and a bevy of appetizers, sandwiches and burgers.
