Sprout- An Organic Salon

"A Green Salon"

Sprout is no ordinary salon. Patrons can come here knowing that their choice is making a positive impact on the planet and their health. Sprout uses natural products in an industry where they are usually full of harmful chemicals. They offer haircuts, color services, extensions, beard and bang trims, and more. While you're here, you can also pick up some items from their line of hair and skin care products.
