### The Honest Pint

"Enjoy Irish Hospitality!"

The Honest Pint is an Irish restaurant and bar that perfectly fuses American and Irish styles of cooking. It prides itself in serving actual pints, unlike some drinking establishments serving a little less than a pint, and hence is aptly named The Honest Pint. Patrons can savor traditional Irish dishes with a touch of American flavor, thereby infusing innovation in the menu. The drinks menu perfectly complements the lavish food and features Irish whiskeys, scotch, Irish beers, craft beers and so forth. That's not all, a juke box, live music concerts, dart boards, and pool tables make for a great entertainment platter; there is never a single dull moment here. While you are in town, do head to The Honest Pint and enjoy Irish hospitality.
