Wilcox Golf Range Center

"Fore!"

After 40 years in the business, this golf range has learned how to make golfers happy. A top quality driving range and pro shop are just the beginning. Covered hitting areas shade you from the sun's heat or protect you from light rain. The lighted range allows for "night driving" and the sand trap area gives you extra practice for getting out of the beach. Bring in damaged clubs for repair or purchase new or used clubs in the pro shop. New and X-out balls are for sale too.
