Affinity Vegetarian Garden

"Tempting Veggie Fare"

Opened in 2001, Affinity Vegetarian Garden is a popular spot vegans and vegetarians. Whether its their lunch-by-weight buffet or dinner, you will love their freshly prepared Taiwanese and Chinese food. Their extensive menu is replete with mock meats, noodles, rice dishes and soups that are made without any artificial flavorings. Savor their dishes like Chili Eggplant, Crispy Black Mushroom, Bean Curd Layers, Vegetarian Shrimp, Sesame Seaweed Tofu Sheets, Chili Soya Strips and Curry Chow Mein. Complement your meal with a Taiwanese green tea. Affordable and delicious, it is definitely worth a try.

Tall Grass at The Forks

"Organic Gem at The Forks"

Housed within The Forks culinary market, the Tall Grass Prairie Bread Company serves irresistibly fresh bread, baked goods and deli specials. The salient feature of this stellar bakery is its use of organic grains to bake their breads from scratch, and a dedication to preparing wholesome foods that are healthy in the long run. The fragrance of freshly baked cinnamon buns ropes customers in each morning, even as a new batch of croissants rises to perfection in their oven. The deli serves hot seasonal soups, salads and sandwiches, while sweet muffins, cookies, pastries and cakes are also available for indulgence. The menu features several vegan and vegetarian options as well.
