Tate's Comics

"Comics and More"

When Tate Ottati opened the store in 1993 at the age of 17, he stocked it with all his favorite graphic novels, comics and toys, and even today, Tate's Comics is a reflection of his personal tastes. The collection has expanded drastically, and now includes anime, horror movies, books on pop culture and lots more. TATE's Gaming Satellite, situated just a short distance away, has an excellent selection of games and lots of room to enjoy them. The store houses an art gallery and also plays host to signings and other exciting events.
