Original Pancake House

"Popular Breakfast Joint"

The Original Pancake House offers breakfast and lunch in a bustling yet relaxed atmosphere. The breakfast diner décor is anything but cramped; the two dining areas can (and often do) accommodate great crowds who swarm. Although they serve omelettes, crepes, sandwiches, and salads, the Pancake House specializes in spectacular plates of pancakes that are cooked on a griddle, then baked. And the portions are amazing!

Another Broken Egg

"More Than Breakfast"

Another Broken Egg makes another eggs-travagant splash in Mountain Brook. Ron E. Green shed his nine-to-five corporate skin to manifest his longstanding dream of opening a restaurant. Disappointed with the lack of creativity in brunch menus, he opened his flagship cafe in Louisiana that guarantees a delicious and healthy start to the day. The quirky name was born during a conversation with a patron while the imaginative menu features breakfast classics with a twist. From the Spanish omelet to the Southern Scramble, the menu boasts eggs many ways. Also on offer are scrumptious specialty brunches, pancakes, waffles, burgers, salads and sandwiches.
