### Players Retreat

"Old-School Retreat"

The Players Retreat has been a Raleigh burger and beer touchstone since 1951, and is the antithesis of the high energy lounges that dominate parts of West Raleigh. The interiors stand out with dark wood, black booths, and a vintage university feel. Locals come to the retreat for the burgers and largest malt scotch selection in North Carolina. Although the Retreat's homespun menu has become time-honored, it now offers a bit of sophistication with a comprehensive wine list.
