"Authentic Mexican"

Gonza is a colorful Mexican restaurant that specializes in tacos and tequila. The interior is eclectic: mannequins greet diners at the door, and Mexican artifacts are mounted on the dining room walls. The menu is a burst of flavor, combining classic Mexican dishes alongside some surprises. Start with a pitcher of strawberry margarita and move on to tacos prepared with chicken tinga poblana, or a scallop and pork belly combination. Patrons can order food online for pickup.

### Cosmic Cantina

"Mexican Spread"

Cosmic Cantina is one of the few places in the city which is open till late in the night and you will see that the place is often full during the after-hours. This classic Mexican joint is known for their burritos, nachos, and tacos with fresh and homemade tortilla chips, which are always made to order. They use very carefully sourced ingredients like Himalayan pink salt among others in each and every dish.
