## Talise Ottoman Spa

### "Spa Bliss"

This highly acclaimed spa is also among the most extravagant as well as the largest in the region. Stepping into the massive Talise Ottoman Spa is like a peek into Turkish affluence and into a fantastical world where you will surely forget the humdrum of life. Splendid mosaics, intricate woodwork, chandeliers and vaulted ceilings create a magnificent ambiance at this marble-clad spa. It won't be surprising to find celebrities indulging in their beauty treatments. The crown jewel is the Turkish hammam with rituals like coffee peeling, Arabian rose and green tea revival taking hammam indulgence to a new level. Spread across multiple floors, there is level dedicated to only massages which can accessed by a private lift. Thalassotherapy rooms and snow rooms are some of its other distinct features. Their skincare regime is also considered among the best and their packages are blissful luxury worth all the money.
