Urbana Cityspa & Teabar

"A Spa for City-Dwellers"

Some spas choose to take a hippy approach, emphasizing that their products and treatments are certifiably "of the earth." Urbana Cityspa & Teabar takes a different approach, recognizing that not every spa-goer is a tree-hugger. Not to say that any of the treatments at Urbana are unnatural, but the atmosphere achieves a skilled balance of city elements and relaxation to create a unique space for city-dwellers seeking serious relaxation.
