Class of '47

"Casual Bar"

Class of '47 is a locally-owned dive bar that serves very cheap and very basic drinks. If you're looking for fancy cocktails and martinis, this is not the place for you. Here you can grab a drink every night of the week in a casual setting that takes pride in the fact that, despite what its name might suggest, this joint has "no class."

Sandpiper Lounge

"Nightly Fun"

The Sandpiper Lounge is a late-night spot that has been a local favorite in Laguna Beach since the 1940s. Also known as "The Dirty Bird," this dive bar tends to get crowded and crazy with the live musicians that keep everyone going late into the night. With drinks starting at \$5 and their "4 second pours," you will get what you came for. The lounge is a great hangout where you will hear good music and see beautiful, tanned people 365 days a year, literally.

The Rooftop Lounge

"What A View!"

With a wonderful location overlooking the ocean, this bar would be worth recommending only for the view. Luckily, the drinks here are some of the best in the area as well. The mojitos are a favorite, and there is a menu of appetizers available and well as a full menu of breakfast and lunch options. Not matter what you order, the view will make it worth it!
