Longboard Pub

"Surf's up"

At this Huntington Beach pub devoted to beach bums and tourists who happily find it, Longboard entices visitors with its laid-back atmosphere and relatively cheap eats. Since this is Huntington Beach, it is no surprise that this pub's decor is pure surf side shack. Longboard also functions as a sports bar, where you can always catch a game on the telly. The menu features salads, sandwiches, tacos, entrees and the beer selection is usually excellent.

Las Brisas

"On The Waterfront"

This is one of the best Mexican restaurants in Orange County or, for that matter, Southern California. The views here are to die for, with the coastline spread out before you. This makes it a popular spot with tourists, who like to take pictures of themselves against the spectacular backdrop. Locals love it too. Most of the entrees are seafood-centric but there is something for everyone. Try the pasta Las Brisas, Bouillabaisse with a half-lobster tail, or scallops in tomato saffron broth. There is a full bar and an extensive wine list with some good medium-priced bottles.

The Rooftop Lounge

"What A View!"

With a wonderful location overlooking the ocean, this bar would be worth recommending only for the view. Luckily, the drinks here are some of the best in the area as well. The mojitos are a favorite, and there is a menu of appetizers available and well as a full menu of breakfast and lunch options. Not matter what you order, the view will make it worth it!
