## Burberry

### "Upscale Style"

This store bears the name of Thomas Burberry, the Englishman who invented gabardine in 1879. The Burberry Trenchcoat was born in 1914 and has been a classic ever since. The company has since expanded to produce an array of apparel, including shirts, shoes and handbags, but the coat is still the main attraction here. Everyone, it seems, from movie stars to politicians to monarchy has donned a Burberry at one time or another, attesting to the quality of these products.
