Splitends Salon Downtown

"Upscale Salon"

Beautiful inside and out is the Splitends Salon's motto. Once inside, clients will be just as impressed with the gallery-like clean, crisp interior and ultra friendly staff. Continuing with the art gallery theme, you'll be hard pressed to find a single product on display or for sale, instead finding artwork from local artists adorning the walls. Owner and stylist, Christopher Hall believes in offering quality services that focus on the clients' hair and not the beauty product industry. His brutal honesty might talk you out of an all-over color and into some partial highlights if you're looking for low maintenance hair.
