Mission Tiki Drive-In Theatres

"Old-School Experience"

This anachronistic drive-in theater opened in 1956 and since then it has entertained legions of Inland Empire denizens over the decades. In your car, you can revisit another era while enjoying the modern comfort of upgraded technology. At the concession stand, they serve burgers, pizzas, hot dogs, french fries and other treats. Moreover, on weekends the entire drive-in area becomes a huge swap meet; it has since become one of the oldest and largest open-air markets in Southern California.
