John Stiff Memorial Skate Park

"Wheelin' By"

A maze of concrete hardly sounds exciting unless you're on wheels. Amarillo's John Stiff Memorial Skate Park is for kids and adults alike who wish to cruise around on self-propelled wheels in a safe environment without a million cars whizzing by. This concrete jungle is designed for skateboarders, BMX riders, and roller skaters. Zoom down a 16 foot cradle pipe, zip around the nine foot bowl and get the lay of the land from the top of the five foot quarter pipe. The park is equipped with lights so you can skate well into the night.

River Breaks Ranch

"True Texas Hospitality"

This versatile ranch offers a bevy of activities with a flourish of real Texas flair. Step into the boots of a cowboy and go for a wagon ride and watch cattle being herded, an activity fun for the whole family. Once you reach the ranch, watch as real working cowboys jump in the saddle for some team roping. You can even bet on horse racing with the ranch's 'Ranch Bucks' money and cheer as colts race by with their colored blinker masks. Take a shot at the sporting clays and make your way through the 10 stations firing a shotgun at clay targets. At the end of the day, you'll be famished and the smell of sizzling steaks over an open fire will whet your appetite. Eat with the cowboys and much on upscale cuisine, all cooked over an open fire as you listen to them tell ranching stories. The 'Barn' is a luxurious venue rental on the property that is perfect for weddings, private and corporate events. Visit the website to learn more about the cowboy lifestyle found at River Breaks Ranch.
