Pizzico Ristorante Italiano

"Go Italian!"

Italian food is loved all over, and this little place in Nashua adds its own little bit. The menu starts with the all American and Italian favourite, the Pizza, served with a choice of delicious, juicy and meaty toppings. A delightful range of vegetarian pastas simply cooked with tomato sauce and cheese can be had, but a wider choice is available for non-vegetarians who can try the Linguine Clams or Penne Sausage. The Martini Bar is known all over for its creative concoctions, especially the Cappuccino Martini and "The Grape Escape". A well-stocked wine bar is also available for those who like to pair them with Italian dishes. A great place to bring the family and have a leisurely Italian lunch.
