Drake's Dealership

"Under the Oakland Sky"

Drake's Dealership is a cozy neighborhood restaurant and bar located in Uptown, Oakland. Set in a large and spacious former warehouse that is reminiscent of a green-house, this eatery is child-friendly until 9pm. Exposed brick-walls, lantern-lit trees, small tables and fire pits under an open sky give this bar the perfect ambiance for an intimate date night. Enjoy a wide range of cold local craft-beers on tap along with tasty food dishes like wood-fired New Haven-style pizzas, fish & chips, Roy's rib basket or BBQ pork sandwich. The perfect trendy, relaxed and laid-back ambiance here will make you want to visit and again!
