### The Federal: A Restaurant & Bar

#### "Fantastic, Modern Fusion"

The Federal A Restaurant & Bar, located in one of Agawam's historic buildings, was opened to the public by Ralph Santaniello and his co-partner executive chef Michael Presnal in the year 2002. The menu features American dishes blended with French and Italian flavors, lending it a contemporary European twist. The restaurant's interiors are an extension of the menu's heterogeneity, as the modern decor is seamlessly blended with the vintage architecture. The Skillet Seared Salmon, the Burnt Tangerine Glazed Cod, and the Fork & Knife Braised Shortribs are some of the must-haves here. Give dinner a sweet finish with a slice of Tiramisu or the exquisite Chocolate Pistachio Semigreddo.
