Cheese Tortellini, Turkey Apple Club Sandwich and California Cobb Salad are just some of the delectable menu items. Don't forget to save room for the homemade desserts like Warm Bread Pudding and Cookies. They also have smaller portions and a separate menu section for kids. Kotobuki

"Veggie Sushi"

Japanese food lends itself to the vegetarian side of things very nicely; the freshness of the ingredients and the perfect melding of flavors mean that vegetarian sushi need not be only for vegetarians. There are fake meat dishes, including sesame 'chicken' and some vegetarian 'seafood' rolls. There is an imaginative drinks menu and patrons can choose to sit at a table or traditional Japanese style, on tatami cushions on the floor. Call for reservations and opening hours.
