Avanti's Pizza

"Not Only Pizza"

Avanti's in Mystic makes delicious pizzas from their secret recipe with a wide variety of yummy toppings. The menu includes not just Italian favorites, but also plenty of fried local seafood, like clams, calamari, cod and scallops. For the grinder fans out there, there is an impressive selection of hot and cold sandwiches made with only the finest ingredients. There are also plenty of vegetarian options available with special pies and meatless grinders. Come in before dinner to take advantage of the Early Bird Menu and seniors are welcome to a discount on Mondays and Tuesdays during lunchtime.

Pizzetta

"Mystic Pizza"

Pizzetta places a big emphasis on eco-friendly, healthy food; many of their ingredients are sourced locally and the pizzas reflect the owner's principle of great flavor and simplicity. There is a great range of simple but creative toppings - try the Mac and Cheese or maybe even the Vodka pizza, a pizza with vodka-infused tomato sauce. Pizzetta also caters for restricted diets - it offers gluten-free crusts for coeliacs and Daiya vegan cheese for a small additional cost. Pizzetta will satisfy your pizza cravings and thanks to their environmental principles, you'll leave with good food karma.
