Busena Marine Park

"Under the Sea"

At the Busena Marine Park on the southern outskirts of Nago City, tourists and locals alike can go underwater to explore the coral that thrives in the ocean, or board a glass-bottom boat to admire what lies beneath. The observatory looks like a tube perched off the coast of the island, and takes visitors down to the ocean floor for a panoramic view of Okinawa's marine life. Glass-bottom boats that go further out are on the beach.
