Bios on the Hill

"Jungle Cruise"

In Ishikawa near Uruma, visitors can walk through the fern-filled park, kayak, ride in a water buffalo cart, or go on a 25-minute jungle cruise, though tickets for the rides are not included in the entrance fee. The beautiful wild orchids growing in the park and the adjacent Bios on the Hill Garden Center, the largest orchid greenhouse in Japan, provide a perfect backdrop for a romantic outing as well. Wheelchairs and strollers can be rented at the front desk.

Forest Adventure

"Adventure and Fun in the Forest"

Forest Adventure Park is a zip lining sports park for kids and adults. The harness used at the park is made by experienced professionals and experts from Europe. The design and manufacturing has also been done in Europe itself. Forest Adventure Park is built through trees and valleys of the forest with the longest zip line of 120 meters (393.70 feet) and 30 meters (98.42 feet) high. Their aim is to rebuild the forest and build an ecological park in harmony with nature. A safety course is provided before the start of the adventure that challenges ones stamina and confidence, a great way to have fun. The staff here are experienced and well trained with immense knowledge. A great way to spend a day with friends and family in the midst of fresh air and nature.

Cape Maeda

"Out of the Blue"

This little strip of land jutting out into the azure waters is one of the most picturesque sights in Onna. The area round Cape Maeda is a popular diving spot in the region and attracts adventure enthusiasts. For those who simply want to enjoy the scenery, the plateau-like features of the cape offer sweeping views and leisurely hikes. Don't miss the spectacular sunset from here.

Piranha Divers Okinawa

"Making Diving Worthy"

Piranha Divers is a scuba diving company in Okinawa run by a couple Jan and Tomoko, who have about 10 years professional experience in learning and teaching scuba diving. At Piranha Divers there are various learning courses for people depending on their diving experience. Open Water Diver for first time scuba divers, Advanced Open Water the step after Open Water Diver, Rescue Diver & CPR an advanced course in scuba diving for people with over 30 dives experienced and a Divemaster course to be a professional diver which is a two-week course as compared to the other courses which are for three days only. Learning scuba diving at Piranha Divers definitely makes the experience and learning a great one, as the instructors and staff are well trained, efficient, friendly and welcoming.
