Aura Spa

"Rejuvenating Spa Experience"

Aura Spa is one of the leading spas in Kolkata. It is a part of The Park Hotels and the spa is located inside the hotel. It has seven therapy rooms where highly skilled therapists work on their customers. The spa offers special treatments using natural ingredients that are good for the skin. It has a beauty salon, steam chambers and soothing sauna that promise complete relaxation. There is also a poolside juice bar that serves fresh fruit juices. There is also a Jacuzzi and an all weather swimming pool next to the spa.

Club Prana Spa

"Pampering Session"

Relaxation and rejuvenation are the two words that define Club Prana Spa of Hyatt Regency Kolkata. It offers a completely holistic experience steeped in Indian healing treatments at the luxury spa. The massage suites and the interiors of the spa serve as an escape from the daily hassles of life. The treatments go beyond physical de-stressing and ensure that mind and spirit are too at peace. The expert staff blend in the modern aroma therapy with traditional Ayurveda and present the 'Aromavedic' range of treatments for you. Couple spa packages like 'Couple Escape' and 'Spa Sensation' are perfect for overworked couples or tired parents, who rarely get a moment with each other; avail of these 'Just for two' sessions and re-discover your romantic side. Truly, to sum it up, the Club Prana Spa is an experience that enriches and energizes you from within rather than just being a mundane spa session.
