Club Prana Spa

"Pampering Session"

Relaxation and rejuvenation are the two words that define Club Prana Spa of Hyatt Regency Kolkata. It offers a completely holistic experience steeped in Indian healing treatments at the luxury spa. The massage suites and the interiors of the spa serve as an escape from the daily hassles of life. The treatments go beyond physical de-stressing and ensure that mind and spirit are too at peace. The expert staff blend in the modern aroma therapy with traditional Ayurveda and present the 'Aromavedic' range of treatments for you. Couple spa packages like 'Couple Escape' and 'Spa Sensation' are perfect for overworked couples or tired parents, who rarely get a moment with each other; avail of these 'Just for two' sessions and re-discover your romantic side. Truly, to sum it up, the Club Prana Spa is an experience that enriches and energizes you from within rather than just being a mundane spa session.

The Thai Spa

"Authentic Massages from Experts"

Thailand is the ultimate destination for spa culture and massage treatments. Keeping alive the rich tradition of this country, The Thai Spa has spread its wings across a number of countries in Asia. It is the one among very few spas that has hired trained therapists directly from Thailand. This ensures that the spa experience is as authentic as it can get. The Thai Spa has its own spa menu that includes candle massage, hot stone therapy, royal Thai massage, wellness relaxing, foot massage, Jacuzzi and steam. This spa brings healing traditions to India using various massage techniques. In our busy day-to-day life it is important to have some alone time and pamper ourselves. What better than relaxing at the spa center? The Thai Spa assures complete relief from physical and emotional anxieties and gives a rejuvenating experience.
