### Equilibrium Climbing Station

"Climber's Haven"

A haven for a climber, Equilibrium Climbing Station is one of Bengaluru's first indoor bouldering gyms and is an extremely popular spot with avid climbers, teenagers, and families. The health club also conducts training sessions for newbies, advanced courses for experts, organizes birthday parties for the kids and even corporate events. Weekend getaways focused on climbing are also frequently undertaken. Besides the great climbing facilities, the climbing station also houses a shower, lockers, a gym and a shop where you can buy or rent goodies like climbing shoes, helmets, etc.

## Fever Pitch Basecamp

### "Adventure Land"

Enjoy a one-of-a-kind adventure camping experience as you head to the Fever Pitch Basecamp. Not only can you participate in a bunch of activities like paintball, bicycling, fishing, and even paintball, but the gorgeous scenery surrounding the camp is sure to take your breath away. Campers can also participate in adventure sports. Rappelling down a 70 feet (21.33 meters), zip lining across a dam, free falls and walking over tightrape are just some of the hair-raising activities you can indulge in. A range of water sports facilities is also provided. Kayaking, canoeing and paddle boating are quite popular with campers. The camp is also a great idea for corporate outings as the program also includes team-building activities.
