Estuary Island

"A Unique Setting"

Aptly named, Estuary Island overlooks the Neyyar River which flows into the Lakshadweep Sea just a few miles away. Its idyllic setting is a perfect foil for romantic getaways but it is also great for family outings. Nestled in Poovar, the landscape of river meets sea is truly breathtaking and the pristine surroundings of this hotel add to its magical aura. You can only reach the hotel by a boat. Dotted with coconut trees, the beautifully landscaped gardens with walkways and hammocks are relaxing while the well-appointed rooms will transport you away into a world of your own. Get pampered at their spa with Ayurvedic treatments and massages or take a dip in their pool besides the estuary. Go on fishing or boat trips arranged by the hotel. Dine in their floating restaurant to get a taste of probably the best seafood in town. Truly a memorable stay in the midst of nature.
