### Kriti Gallery

#### "Sophisticated Contemporary Art Gallery"

Kriti Gallery was set up by Navneet Raman in the year 2006. It is one of the most sophisticated and interesting contemporary art galleries in the country. It was established with an idea to provide space for exchanging artistic and cultural interaction. It organizes exhibitions, artists in residency program and projects and handicrafts boutique. The exhibition showcases Indian and international art forms. The residency is a place where you can interact with different artists who work towards promoting art and culture in India. Lastly, the boutique presents some of the finest handicrafts that are worth appreciating.

## Sant Ravidas Park

### "Serene Location"

The adorable green pasture and the well maintained walkways define the visual aesthetics of this prime location in Varanasi. Maintained by the government of Uttar Pradesh, the park is the memorial of the spiritual master Sant Ravidas. The centrally placed fountain and the platform with a statue of the saint provide a surreal ambiance to Sant Ravidas Park in the evenings. Lot of people from around the locality visit the park for a relaxed outing. Flocks of tourists and pilgrims also can be spotted here unwinding.
