### MacArthur Park

"Historic Restaurant"

Originally opened in 1981, MacArthur Park has been serving the local community for decades, but the building it is housed in has been serving Californians for almost a century. With its historic charm, romantic setting and mouth-watering Californian cuisine, this restaurant makes for a perfect date night or special occasion. The most famous item on the menu is the Oakwood-smoked baby back ribs and was voted "Best BBQ in the Bay Area" for ten consecutive years by San Francisco Magazine. Other popular menu items include juicy New York steaks, mesquite-grilled fish, roasted beet and goat cheese salad and the BBQ half-chicken. MacArthur Park also offers catering and a weeknight happy hour. Reservations recommended, especially for larger parties.
