### Tacolicious

"Different Flavors"

Tacolicious is far cry away from a typical taqueria and prides itself in being an unique dining establishment. This Mexican restaurant right from its catchy name believes in doing things differently; tacos that is slotted as street food is given the status of an elaborately prepared dish. Here, you can gorge on delights like Mushroom Empanadas, Kale Salad, House-made Chorizo and potatoes or Chupitos varieties. And, do not get worried about spicy food being served to your little ones, as Tacolicious has special menu for kids. And, a Mexican meal is certainly incomplete without drinks, hence it serves tequilas, in-house cocktails, wines as well as beers. For private dining and full menu perusal, check website.
