Immersion Spa

"Immerse Yourself in Serenity"

Immersion Spa is inspired by Korean rejuvenation techniques of body scrubbing and acupressure massages. The spa is very popular in the city for their therapeutic treatments which not only relax your being but also target the problem areas of your body. This 6000 square feet (550 Square meter) facility houses a sauna room, a tranquil swimming pool as well as Jacuzzi. Do not be overwhelmed by the luxurious ambiance here because their prices are quite reasonable and they only believe in offering value for money. While the trained masseuses work their magic on your sore body, you can fall into bliss and soak in the aromas of Aveda products. As you leave the spa, you are sure to book an appointment for your next visit.
