Langstrasse

"Red Light District Live!"

This is Zurich's red light district. It starts in District 5, but this part is less attractive due to heavy traffic. It's more attractive in District 4 on the other side of the railway tracks. Here you will find nice and trendy bars like Sansibar and Liquid as well as great restaurants like Exer. The fashion shops around here sell clothes for the working ladies, in addition to very trendy clubwear.
