Cosmogrill

"Delicious Fare!"

Cosmogrill is cozy restaurant located on the Maximilianstreet in Munich. The chefs here put together the best burgers -the finger-licking good Wasabi Tuna Burger and the heavier Chicken and Bacon burger, are both worth a try . The menu also has exotic salads and an extensive variety of very delicious soups, although sipping on champagne is certainly perfect for the course. For the teetotalers, they have the strong Turkish coffee, which is bound to keep one wired for a while!

M.C. Mueller

"Burger & Booze"

A burger for every palate and size is the motto at M.C. Mueller. This acclaimed burger joint is a chameleon of sorts, as it transforms into a nightclub-like venue after dark. Satisfy your hunger for these deep-fried portions of goodness and attack the dance floor later. Without some delicious grub of burgers. Try the blue-cheese layered burger or the Mädchen burger which has a well-cooked double patty burger which will make you fall in love with burgers all over again. Apart from fastfood, a fascinating cocktail bartender will stir up interesting mixes for you.

Cafe Mozart

"Large & Lively Venue"

Almost hidden under an archway on a quiet side road, you'll be surprised at how spacious Cafe Mozart is. This is a perfect anytime venue - from breakfast with friends under a skylight to a good old group night out. Comfy enough to stay put for the whole evening, the size of this place enables a spontaneous gathering without reservations. The food ranges from the light and simple to hearty schnitzels and burgers at very reasonable prices.

Brasserie Tresznjewski

"Chic Pub with Chic Clientele"

Located directly opposite the Institutes of Mathematics and Physics, Tresznjewski is frequented mostly by students during the day, but is taken over by good-looking and well-dressed revelers in the evenings and for brunch on the weekends. The atmosphere in the evenings is fairly rambunctious, and you will be served decent but slightly expensive food by the friendly staff. The pub is slowly establishing itself as a meeting place for business people.

Burger House

"Best Burgers in Munich"

With a capacity of only 12 tables and an increasing popularity amongst locals and travelers alike, it is always safe to make reservations at Burger House, Munich. The menu is simple and generic, popular combos like burger, fries and drink are especially easy on the tongue as well as the pocket. All burgers at the Burger House are prepared using only fresh Bavarian meat, frozen/preserved meats are strictly avoided. Other specialties here are the Sauce Mix, which is available with every order on request, and Chili Cheese Fries which are quite delicious. Burger House is easily one of the best burger haunts in the neighborhood, arguably, the city as well.
