## Weißglut Concept Store Schwabing

"Unique Finds"

The brainchild of couple, Jessica and Stefan Kiefer, Weißglut Concept Store Schwabing began as a platform for young designers to showcase their designs. Predominantly done up in white with wooden floors, this chic store shines with its unique items on display. From Scandinavian decorative items to fashion accessories, home decor and kitchen ware, their trendy objects are a hit among their patrons. The rotating inventory ensures that it is refreshed regularly. Today they also include established designers.
