## Rathausgalerie

"Local Artistry"

The Rathausgalerie, located in the Neues Rathaus (New Town Hall), presents exhibitions of local art and culture, particularly by groups of local artists. The aim has always been to give a boost to the local art scene. The winners of the Munich Art Prize also have their work shown here. Admission is free.

## Beer and Oktoberfest Museum

"For All Beer Fans!"

Germany, especially Munich, is well known and famous for beer. Located in central Munich, Bier- Und Oktoberfestmuseum brings to you a riveting history of beer, as well as the storied origins of the Oktoberfest, roots of which can be traced back to the nuptials of King Louis I in the early 19th Century. Do not miss out on the huge October Fest celebration! The exhibitions are usually conducted within a heritage building that dates back to 1340. In addition, there are special events held on the top floor as well. For beers fans and lovers of history, this place is a definite must-visit!

## Deutsches Theatermuseum

"A Theatrical Background"

Deutsches Theatermuseum was inaugurated in 1910, its collection a bequest of Clara Ziegler, a famous Bavarian court actress who gathered the pieces in her villa. The museum was relocated to the Hofgartenarkaden after WWII, and was later converted into a state museum with posters, costumes, records and photographs being added to the collection.

## Munich Stadtmuseum

"Museum of Local History"

The Münchner Stadtmuseum (Munich City Museum) shows exhibits pertaining to the city's history as well as special exhibitions, such as the history of international civilization and culture. The multifaceted permanent exhibition "Typically Munich!" covers three floors and shows the city's culture from the Middle Ages to the present day. A central theme in the museum is Munich's evolution from a municipality, historically dominated by the royal court towards a newly independent and self-assured city. A museum highlight is the famous Morris Dancers designed

## Bavarian National Museum

### "Bavaria's Pride"

Excellent sculptures (from the early Middle Ages to the 19th Century) meet old armor, tableware and furniture, while ethnological and religious objects are displayed next to china from Nymphenburg. These well-organized exhibitions are housed in the marvelous fin-de-siècle building (1894-99) known as the Bayerisches Nationalmuseum. The pride of the museum, which boasts a collection of over 180,000 objects, is the exhibition of Christmas cribs which is dubbed as the biggest collection of its kind in the country. Also found here are a shop and a cafe.
