Bill's

"Delightful Breakfasts!"

Bill's in Covent Garden is spread across two floors and has become a legend when it comes to breakfasts, though their other meals are equally noteworthy as well. It has a rustic appeal to it and a vibrant vibe that is very appealing. The grocery and herbs lined shelves add character to the restaurant. The menu is wide and features tasty goodies that will make you want to come back for more. Don't miss this spot when in town.

The Breakfast Club

"All-Day Meals"

The Breakfast Club specializes in serving day-long meals. The interiors of this eatery is a great mix of the 80's, upbringing of the owners, and a bright, fun and zippy place. The owners have even put-up little things from their childhood days around this place. You can indulge in fast food and contemporary American delicacies like sandwiches, burgers, pancakes, pies, burritos, and salads here. Do not miss out on the drink's menu which offers a selection of fresh juices, shakes, smoothies, and more.

The Modern Pantry

"The Future of Home Cooking"

Relaxed and lightly decorated, the Modern Pantry is an ideal retreat to grab a quick, tasty snack. The eclectic all-day menu is bespoke of futuristic fusion. For example, the mouth-watering combos include chorizo with scotched quail eggs and tomato relish, date and feta fritters with rose yogurt or a grilled tamarind and miso-marinated onglet steak. Known for their breakfast and brunch offerings, Modern Pantry lives up to the expectation of their followers, local and tourists. For dessert, why not try green tea scones with gooseberry compote and clotted cream? If you are inspired by the future of cooking you can even pick up a Modern Pantry cookbook! Modern Pantry also offers facilities like outside catering and private venue hire.
