### Michael Deane

"Fine Dining"

Opened to great acclaim in the late 90s, Deane's has played a prominent role in the upgrading of cuisine in Belfast, proving that there was a market here all along for fine contemporary and fusion food. As renowned Michelin-starred chef Michael Deane puts it, come and sample some serious, indulgent dining. The clientèle range from high flying city types to Belfast's most distinguished visitors. Beware though, the menu changes regularly. There is a fine range of wines, with a bottle of house wine.

### Little Wing Pizzeria

"All About Pizza"

Little Wing Pizzeria has four outlets across Belfast, each serving delicious New York style pizzas. This restaurant on Ann Street is quite popular, mainly due to its friendly and quick service, and the varieties of pizza on offer. Pick a classic margherita, or go for something more flavorful such as the Napoli salsiccia or the formaggi caprini. One can also try their insalata, pasta, lasagna or salads, but pizza remains the main draw here.
