The Spa At Culloden

"Serious Pampering"

Maybe you're jet-lagged or maybe you are feeling burned out on all the sights and the hard nights on the town. The Elysium Health and Fitness Suite, inside the Culloden Hotel, is the place to go if you're feeling both extravagant and in need of some deep-down relaxation. Everything is here: pool, gym, sauna - there's even a bowl of fresh fruit ready for when you slide off the treadmill. Especially enticing is the wide range of massage options available, from Swedish body massage to reflexology, the ancient Chinese foot massage. If you don't feel justified in so much self-indulgence, you can always treat a loved one with a gift voucher, available at reception.
