Episode

"Altered Vintage Clothing for a New Look"

Episode sells second-hand clothes with a twist. All your basic vintage needs are available here, such as 70s-era dresses for costume parties and 80s-era Adidas handbags and track suits. But Episode also sells refurbished clothes. Here you can find out-of-date sweaters transformed into sexy tank tops, over-sized tee shirts transformed into dresses, and American sorority girl garb transformed into athletic shorts. The boutique's interior is a bit of a maze but is very well organized. Customers can easily find the clothing item or accessory they're looking for. The boutique sells both men's and women's clothing, and occasionally has kids' stuff, too.
