Les Nouveaux Ateliers

"Affordable Custom Tailored Clothing"

Poorly cut trousers, your size out of stock, unavailable colors, expensive custom tailored clothing – all of this is old news! In the shop Les Nouveaux Ateliers, situated in the heart of Paris, custom-tailored clothes are made through four steps: you choose a color and a style among their 400 different materials; you walk into the fitting-room and are measured on over 200 points in less than a second, thanks to a totally harmless light. On a virtual dummy, you compose your outfit in 3-D, including possible alterations and adjustments. Your clothes are made in the workshop within ten days and are then available for pickup or even delivered.
